day's message was dated last Sunday. Although the embassy would not say whether the message forecasts a favor-able response to the last demands of Secretary Lausing, the feeling manifested among the attaches was optimistic As soon as the memorandum itself arrives Count von Bernstorff will arrange for a conference with Secretary Lansing. This conference, it is believed, will take place at the State Department on Satur-

portunity, after his arrival here to-mor-

col. E. M. House to the President are said to have been such as 10 convey the impression that Germany earnestly desires a settlement of the controversy.

While gossip in German quarters here does not go to the extent of predicting that the Berlin memorandum will go the whole length demanded by the United States, it is predicted the new offer of indemnity will be made in such form as to be tantameunt to an admission of legal liability.

Heretofore Germany has sought to base this offer on the ground of good will and friendship toward the United States.

If President Wilson, says the Hambert States, "President Wilson," says the Hambert Frendenblatt, "does not recognize what for us is a perfectly natural connection with the submartine war. He likes to handle each limit by itself.

"However the course of the war, the foreigners acquiring property is only to be the impending presidential election, together with the violent agitation in the number of the course of the war, the likes to handle each limit by itself.
